

Easter

Four children had an Easter egg hunt. The Easter Bunny hid four eggs: yellow, blue, green, and pink. Each child found one egg.

Use the clues to decide which egg each child found.

1. Raymond didn't find the pink egg.
2. Shelly didn't find the yellow or the blue egg.
3. Amanda found either the green or the pink egg.
4. Owen and Raymond didn't find the green egg.
5. Shelly and Owen didn't find the pink egg.
6. Raymond didn't find the blue egg.

Raymond found the _____ egg.

Shelly found the _____ egg.

Amanda found the _____ egg.

Owen found the _____ egg.
