

Free Tickets

5 friends won 2 free tickets to a hockey game. They must decide who will go to the game.

Use the conditions below to decide who will attend the game.

1. Yuki will go if Gina doesn't go.
2. If Yuki doesn't go, Jorge will go.
3. Jane won't attend if Jorge does.
4. Rakesh will go if Jorge goes too.
5. If Jane attends the game, Gina won't go.
6. Jorge will go only if Gina goes.
7. Jane won't go if Yuki goes.

Which 2 friends will attend the game?

Jane Yuki	Jane Jorge	Jane Rakesh	Jane Gina	Yuki Jorge
Yuki Rakesh	Yuki Gina	Jorge Rakesh	Jorge Gina	Rakesh Gina

Answers at Bottom of Page

Jorge and **Gina** will go to the game.
